PROFESSIONAL SUMMARY

Network & VoIP Engineer with hands-on experience in Grandstream IP PBX, FXO/FXS gateways, IVR design & IP telephony deployment. Experienced in managing LAN/WAN infrastructure, configuring network devices & troubleshooting real-world voice and data issues to maintain high system uptime. Strong in security hardening and project-based network rollouts, with a continuous focus on learning new technologies.

TECHNICAL & SOFT SKILLS SUMMARY

- **Networking & Security:** Routing & Switching, TCP/IP, DHCP, DNS, VPN, Firewalls, Network Design, LAN/WAN Infrastructure.
- **VoIP & Unified Communications:** Grandstream IP PBX, Unified Communications Manager (UCM), FXO/FXS Gateways, IVR, Call Center Technologies, SIP Trunking.
- **Systems & Automation:** Windows Server Administration, Active Directory, Virtualization.
- **Audio-Visual Systems:** Logitech & Aver Video Conferencing, Interactive Flat Panels (IFP), IP-PA Systems.
- **IT Support:** Troubleshooting, Diagnostic Tools, Technical Documentation, Lab R&D.

KEY CERTIFICATIONS

- **Fortinet Certifications:**
  1. Fortinet Certified Associate Cybersecurity (FCAC) - (Credential ID: 6294254047MT)
- **MikroTik Certifications:**
  1. MikroTik Certified Network Associate (MTCNA) - (Credential ID: 2501NA9093)
- **Grandstream Certified Specialist:**
  1. UC Solution - (Credential ID: GS97577EB7179F)
  2. Networking Solution - (Credential ID: GS9AD0B624CA9F)
- **Cisco Certifications:**
  1. Network Support & Security
  2. Networking Basics
- **Ruijie Certifications:**
  1. RCNA-WLAN - (Certificate ID: 46745)
  2. RCNA - Routing & Switching (Certificate ID: 72155)
- **OCNA Routing & Switching** (Credential ID: 1FAF185A593B4AF0)
- **Google IT Support Specialization** (Credential ID: J23GF9LG23BU)

PROFESSIONAL EXPERIENCE

1. **Excel Technology Ltd.**
   Associate Engineer | (1 Sep 2024 – Present)
   - **Deploy and Configure:** Successfully deployed and configured Grandstream Network Solutions and IP PBX Solutions to ensure a stable communication infrastructure for clients.
   - **Video Conferencing Integration:** Set up, tested, and provided full technical deployment for Logitech and Aver Video Conferencing solutions.
   - **R&D and Feature Testing:** Conducted continuous Research & Development (R&D) and rigorous testing of new technical features to optimize system performance and reliability.
   - **Client Demos & BOQ Preparation:** Conducted live technical demonstrations for clients and actively participated in preparing Bill of Materials (BOQ) for various Networking, IP PBX & video conferencing projects.
   - **Technical Support:** Diagnosed and resolved network-level and system configuration issues to minimize downtime and maintain high security standards.
2. **Excel Technology Ltd.**
   Intern | (Feb 2024 – 31 Aug 2024)

- **Learned Cisco & MikroTik:** Learned how to configure and set up Cisco and MikroTik routers and switches.
- **Assisted with IP PBX:** Helped senior engineers set up and test Grandstream IP PBX solutions and IP phones.
- **Video Conferencing Setup:** Learned how to install and test Logitech and Aver video conferencing hardware.
- **Lab Testing & R&D:** Helped the team test new network features and hardware devices in the lab.
- **Basic IT Support:** Assisted in basic computer hardware troubleshooting and kept network system records.

PROFESSIONAL TRAINING

1. **ISDB-BISEW IT Scholarship Programme**
   Network Systems Administrator | (6 June 2023 – 25 October 2023)
   I completed a training programme on computer systems and networking basics. I learned how to install, set up & manage Windows Server and virtual machines. I also learned how to make a system more secure, manage user access and find security threats. I studied the basic ideas of ethical hacking as well. Besides that, I worked with MikroTik to configure network devices, set up basic routing & manage bandwidth. I also completed CCNA Basic with hands-on lab practice.

EDUCATION

1. **BSc in Computer Science & Technology**
   Canadian University of Bangladesh **|** (March 2024 – Present)
2. **Diploma in Computer Technology**
   Gopalganj Polytechnic Institute **|** (March 2018 – May 2023)
3. **Secondary School Certificate**
   Chandana High School & College **|** (Jan 2016 – Feb 2018)
